Dear Friends,

### **A good night's rest is life transforming!**

We have found this to be true: certainly it is easier to stay awake and focus in a chapel session on a good night's sleep. Our goal is to remove all the obstacles so that every camper is able to fully encounter Christ while here, but the reality is we have received a lot of feedback on our evaluations about our worn out mattresses!

We'd like to put the problem to rest and make the dream of new mattresses the reality.

**Will you help us buy one-third of a mattress?! All we need is \$35!**

**Each mattress is  $\$105 \div 3 = \$35$**

**New Mattress!**

**The final bill is roughly \$30,000 total and we have already purchased 56 mattresses with some partners' help. Help us complete the project!**

We hope you won't just sleep on it, but will help us achieve this goal so everyone who comes to Berea can rest easier and have an opportunity to hear about Jesus Christ. Thank you for partnering with us for life and sleep transformation.

Only By Grace,

Nate Parks  
President/CEO
